

**Subject: 2014 NC Plant Trip**

Greetings Fellow Plant Perusers!

That's right, our annual plant trip to North Carolina is drawing near! This year our trip will take place February 28 - March 2. If you have perused Plant Delights catalog you are likely greatly anticipating our annual pilgrimage!

Please let me know who all is going so I can arrange a more attractive rate with the Comfort Inn in Garner (our usual haunt). I will keep you informed as things continue to firm up. At this juncture, we plan to visit:

Pine Knot Farms on the way down Friday,

Big Bloomers and Plant Delights on Saturday, and

Camellia Forrest on Sunday before returning home.

Looking forward to a GREAT time!
