Dear Mr. Beck,

On behalf of the Friends of Green Spring, I'd like to thank you for your generous donation of \$500 to our Frances M. Tyler Children's Education Fund. Your gift will greatly help further children's educational at Green Spring Gardens. Last year alone over 1500 children from Title I schools attended field trips at Green Spring Gardens thanks to this fund. Your donation will help ensure that the Green Spring Gardens staff has the support needed to fulfill its mission of horticulture education and the means to keep the park's beautiful gardens growing!

With many thanks,

Susan Voss
President
