

Nov 2014 Message to Members

Chapter Members,

It was great seeing many of you on 11 October at the **Wildfire Restaurant** for **Harold Greer's** presentation. It was a very enjoyable event with delicious food and an interesting presentation by **Harold**. It was also a good chance for us to meet with members of the ARS chapters who will be working with us on the 2016 convention in Williamsburg. A number of us also increased our collections of azaleas and rhododendron through the auction and/or the table favors which were provided by **Don Hyatt, Karel Bernady** and **Paul** and **Carolyn Beck**. I'd like to thank **Don Hyatt, Dave Banks** and **Paul** and **Carolyn Beck** who were instrumental in planning and executing this event.

The **Executive Board** met on 19 October to discuss the results of the past year and plan for the upcoming year. Once again we had a successful year, both in our programs and fund raising. The board recommendations for next year's budget, charitable contributions and slate of officers for next year will be presented at the annual meeting.

Our last event for the year will be our annual meeting on 7 December at the [home](#) of **Barbara** and **John Kirkwood** in **Great Falls**. As usual, this will be a pot luck event. This is also an important event in that we will cover the treasurer's report for the last year, present the 2015 budget for member approval, vote on recipients for chapter donations and vote on officers for next year. More information will appear in the next **Clipper** and on our website under Archives/Financial.

Paul Beck will also be taking dues payments for those owing dues and would like to pay directly by cash or credit card. **Paul** has also enhanced the website to allow you to make your payments online. More information is below:

Membership Renewals:

Your ASA membership needs to be renewed by the end of the year, unless you have a lifetime membership, or you have previously renewed for more than one year. This year, for the first time, we are accepting membership renewals online via our web site. Payment may be made by credit card, debit card, or PayPal account. This requires you to login to view your profile and renew your membership. If you have not already created a login, please Register on the web site. If your membership expires in 2014, there will be a **Renew Membership** button near the bottom of your Profile page, right after the **Year Expires** line. Complete details and instructions are published on the www.nv-asa.org home page. Also, please consider renewing your membership for a level above **Regular**. There are three categories of membership above the Regular that help support the operation of the ASA, **Contributing, Supporting** and **Endowment**. Each has a different renewal amount, and the portion above the Regular membership is fully tax deductible.

As always, you may renew by check mailed to Paul Beck, 2963 Fort Lee Street, Oak Hill, VA 20171-1812. Regular dues are \$30 per year, and there are discounts for paying for multiple years (see the web site for details). You may also pay your dues at the holiday party, using cash, credit card, or a check.

Finally, **Barbara Bullock** will be conducting a Fall Cleanup at the **National Arboretum** on Saturday, 6 December from 10am to 3pm. More information is posted on our website in the [linked flyer](#). Anyone interested in participating will also be required to fill out a copy of the linked [Work Form](#). For more information, contact **Barbara** at barbara.bullock@ars.usda.gov or (202) 245-4511.

Other Activities/Notes –

Legacy Project –

I have spoken about the **Legacy Project** for several months and an article on the project was recently published in **The Azalean**. If anyone would like more information on becoming a "**Legacy Lead**" or otherwise participating in this project, visit our [Legacy website](#) or [contact me](#).

ASA-ARS Convention 2016 –

Plans for the joint **2016 ASA-ARS Convention** continue to take shape. We are in the process of finalizing the gardens to be visited as well as the speakers. We think that the **Williamsburg** location will provide a lot of opportunities to enjoy historic and recreational venues in addition to the full schedule of events as part of the convention.

Legacy Hybridizers will be featured (along with other special azaleas). **Carolyn Beck** has volunteered to coordinate the chapter efforts in identifying, propagating and raising azaleas for the convention. Currently a spreadsheet is being created that identifies all the cultivars being grown, as well as the growers.

We would like as many of our group to participate in the chapter's efforts to provide 2000 plants. There is a wide range of activities...hopefully something for everyone. If you can help with any of the activities on the [linked list](#), please contact **Carolyn**.

Miscellaneous –

Azalea Clipper – Any input for the next **Clipper** should be sent to Barry at bsperling@cox.net no later than 18 November.

The Azalean – I hope you agree with me that the new editors of **The Azalean** are doing a great job. They depend on member submissions of articles of interest to the general **ASA** membership. If you have an article to share, send it to them at theazalean@gmail.com. Articles should be submitted as Microsoft Word documents. Illustrations are highly encouraged and should be at least 4 x 6 inches at 300 dpi.

Speakers – We continue to strive to provide speakers on topics of interest to our members. If you have heard, or are otherwise aware of, speakers who might be of interest to our chapter, please contact **Lars Larson** at larslarson@cox.net or 703-277-3441.

Nurseries – A number of our members own nurseries or otherwise propagate azaleas for sale to the general public. A list of these members and their nurseries is located on our website at [Member Nurseries](#).

I hope you will be able to attend our Annual Meeting and Holiday Social on 7 December and that you and your families have a Happy Thanksgiving.

Rick
