

The Mason Dixon Chapter Rhododendron Society in conjunction with White's Nursery is inviting plant societies for a joint sale/picnic at White's Nursery in Germantown, MD. This event will be held on Sunday, May 17 from 1 to 4 pm

Enjoy an afternoon mingling with other society members while admiring the azalea and rhododendron blooms in the greenhouses. Both Mason Dixon and White's Nursery will be selling plants and we invite clubs and chapters to sell as well.

It is going to be a very relaxed atmosphere, bring whatever you want to sell and eat.

Please RSVP by contacting Deb White (301) 471-5958 or whiteaz@verizon.net
